

Bunny Lu's House Rabbit News

FALL 2008

Bunny Lu is here to stay!

In 2007 Bunny Lu was blessed with a donation making it possible for the rescue to purchase a permanent home for the bunnies. Then we learned Prince William County required Bunny Lu to obtain a Special Use Permit for the rescue to stay and operate from the property in Haymarket. On August 5, 2008 the County Board of Supervisors approved our Special Use Permit. Bunny Lu is here to stay! Thank you for all of the support letters submitted on our behalf.

Meet our new spokes-bun Bobby!

Bobby came to Bunny Lu in January 2008...looking for a companion. His Mom has severe allergies and had taken extra meds so she could 'survive her visit to Bunny Lu'. Realizing that another rabbit in her house might just do her in and wanting Bobby to have a bunny friend, she entrusted Bobby to Bunny Lu. Bobby has not found the right companion yet, but he is enjoying his duties as official spokes-bun and amazing people with his sweet disposition, not to mention his size.

THIS IS WHY WE DO WHAT WE DO!

Abandoned in Osbourne High School in Manassas

Sept 17, 2008...we believe she is a Flemish Giant mix. Estimated as 2 years old and severely underweight at under 8 lbs 5 oz, with fleas, coccidiosis and "the worst ear mites I've seen in 5 years" per Wendy Behm at Blue Ridge Vet Assoc. We have named her Gracie. She is in the safe care of Bunny Lu. Gracie is a wonderfully sweet bun that will be available for adoption by November.
